

## **Best Practices -1**

### **1. Title of the Practice**

Promoting Environmental Friendly Approach

### **2. Objectives of the Practice**

As per the mandatory requirements of NAAC and UGC regulation being as an autonomous college it is our foremost duty and responsibility to show a moral conduct and sense of responsibility towards protecting ,saving and upgrading the Environment for the present as well as future generations. In order to maintain this approach the institute is conducting various activities all-round the year. ***The objective behind this practice is to conserve natural resources and environment and also to develop alternate sources of energy while reducing pollution and harm to the environment.***

### **3. The Context**

The institute attempts to save the environment both in campus as well as the city where it is located by creating awareness about environment through various programs. Regular Plantation Program, allowing spaces for various environmental friendly zones, doing Audit Process during the year and educating the whole mass regarding the importance of environment. The whole institution including Teaching and Non-Teaching staffs along with students participate in the practice program.

### **4. The Practice**

Our college has been awarded with an autonomous status from session 2021-22; therefore this has become the most important priority to give a good look to the environment for the smooth conduct. For the process to be in practice following activities were done:

- ✓ Various Plantation Programs within the campus and other adopted villages
- ✓ Using the Solar Panel system for electricity throughout the campus
- ✓ There is forum and arrangements for E-Waste and Solid Waste Management

- ✓ Awareness programs were done frequently outside the campus.
- ✓ Activities under NSS Club, Rainbow Club and Swatch Bharat Abhiyan were done throughout the Year.
- ✓ No Plastics Zones are available in the campus
- ✓ Rainwater harvesting and Waste Water recycling process is available in the campus.
- ✓ Regular Green Audit, Energy Audit is done every year and institution has received the ISO Certificate in reaching to Environment system standard.
- ✓ Celebrating World Environment Day every year
